"DA 6 PAK BUSHWACKERS" MEMBERSHIP AGREEMENT

Dear Applicant;

Congratulations on being choosing to participate in "Da 6 Pak Bushwackers" as a new member. "Da 6 Pak Bushwackers" chartered in 1986, with the intent of providing a club that would foster, expand, and perpetuate the practice of archery and bowhunting in the State of Hawaii. Since that time, the club has become one of the premier archery clubs in the State of Hawaii. We have introduced hundreds of archers to the sport via our involvement with the Kapolei Archery Range.

Being a club member has many benefits as well as responsibilities. Each year, all members are invited to attend a club hunt, typically on an outer island. Additionally, as many of our members are avid tournament archers, we make all travel arrangements to outer island and mainland destinations. However, if you are like most of us, the reason that you want to join the club is to "give something back" to the sport of archery. Members "give back" to the sport by helping to maintain the range, assisting new archers, or by helping the numerous tournaments that we host each year.

Once again, thank you for making the commitment to become a member of our club, we look forward to getting to know you better in the coming years. Please read and sign the information listed below to help us expedite your membership into "Da 6 Pak Bushwackers."

I \_\_\_\_\_ hereby agree to abide by the Constitution and By-Laws of "Da 6 Pak Bushwackers." Specifically, I understand that all members of the club are required to maintain the range and will occasionally be required to act as the range marshal. While on range duty, I will make sure that all archers are shooting safely, and following the rules of the range. Whenever possible, I will do my best to assist new/inexperienced archers to enjoy the sport at their level of interest. I understand that whenever we host a tournament, I will do my best to assist the other members of the club. I further realize that I will be admitted into the club as a full member immediately with all benefits therein except for the privilege of coming into the range on non-operating days to shoot. This last privilege will be contingent on a three-month probationary period review. I understand that my membership may be terminated if I regularly fail to perform my duties as a participating member.

As a member of "Da 6 Pak Bushwackers" I realize that I am an integral part of one of the premier archery clubs in the State of Hawaii. In addition, I realize that I will also be required to join the Aloha State Archery Association, and the National Field Archery Association. Both of the organizations share our goal of promoting archery at the state and national level.
